

V-CLAMPS

for diesel particulate filters

Our **DPF V-Clamps** are exact fit OEM replacements for a hassle free installation. All clamps are made with corrosion resistant 300 series stainless steel. Like all other Redline Emissions Products, we go the extra mile to make sure our clamps are as good or better than the OEM ones.

Redline Emissions Products offers OEM and retrofit DPF replacement clamps for Cummins, Detroit, Mack, Navistar, Paccar, Peterbilt, Volvo and more.

DIESEL EMISSIONS SYSTEMS MADE EASY.®

WHY REDLINE EMISSIONS PRODUCTS?

QUALITY & DURABILITY

Our products are built to last and are backed by industry standard warranties. REP parts go through an exacting quality assurance process to meet all OEM standards & provide exceptional performance & longevity. This commitment to quality goes into every part we supply.

INSTALLATION

Redline Emissions Products come ready to install & include the needed replacement accessories (where applicable) to ensure an OEM quality fit, every time.

PACKAGING

All Redline Emissions Products come packaged individually, & our DPFs, DOCs, clamps & gaskets come in sturdy boxes. All products are labeled with REP part numbers & OEM crosses for easy reference.

CUSTOMER SERVICE

REP strives for best-in-class service & product satisfaction. Contact us anytime you have technical, sales or installation questions.

GASKETS

for diesel particulate filters

Our **DPF Gaskets** provide superior quality at great prices, and are designed to fit the dimensions of the OEM gasket. We use the same material as OEM suppliers including stamped steel, wire mesh and metal reinforced graphite. We also have spiral wound and conical gaskets.

Redline Emissions Products offers replacement gaskets for Caterpillar, Cummins, Detroit, Mack, Volvo, Navistar, Ford, Chevrolet, Mercedes and more.

light, medium & heavy duty

DPFs & DOCs

We offer light, medium & heavy duty DPF & DOC OEM replacements* for most brands. All are exact fit and include the gaskets and hardware needed for quick installs. LD comes with a 2-Year, 50K Mile Warranty. MD/HD comes with 2-Year, Unlimited Mile Warranty.

Our DPFs & DOCs perform as well as OEM. This is because of the optimized precious group metal coating. The improved coating provides cleaner exhaust, better performance, and reduced regeneration events.

*Not available for sale/installation in California at this time.

light, medium & heavy duty application

SENSORS & WELD BUNGS

Our DPF Sensors and Weld Bungs (or sensor ports) are perfect replacements for your exhaust system. We carry NOx Sensors, Temperature Sensors, Back Pressure Sensors and Oxygen Sensors (O²). Our weld bungs offer OEM quality you can count on.

Broken weld bung or sensor? Use our cost-effective replacements to get your vehicle back up and running again.
