WHAT HAPPENS WHEN A TRUCK BREAKS DOWN???

YOUR CUSTOMERS ARE LOSING MONEY.
THERE IS THE COST OF THE REPAIR
ITSELF - PARTS AND LABOR.

PLUS, ALL THE HIDDEN COSTS:
TOWING, DOWNTIME, MISSED
DELIVERIES, STRESS, ANGRY CUSTOMERS,
ACCOMMODATIONS, ETC.

One of the **biggest** reasons
for the increased costs to fleets is
THE DIESEL EMISSIONS SYSTEMS.

Being in the aftertreatment parts business is harder than it needs to be.

DO YOU FIND YOURSELF SAYING...?

- The diesel emissions systems business is complicated and confusing.
- We've been burned by low-quality parts suppliers in the past.
- I'm worried that we will sell the wrong parts.
- We don't know how to educate fleets about maintaining and repairing the entire system.
- I'm worried we won't be able to recover the cost of setting up a DPF cleaning facility.

REP PROVIDES A CLEAR WAY THROUGH THESE CHALLENGES.

As you've seen, **REP** makes diesel emissions **EASY** in 5 ways. We only sell **QUALITY PARTS**. We carry a wide **SELECTION**. We make sure our parts are **AVAILABLE** quickly. Every part is **PACKAGED** individually & clearly labeled. We stand behind our **Aftertreatment Products & DPF Cleaning Equipment** with **TRAINING & TECH SUPPORT** for your team.

WITH **REP** YOU CAN ADD **AFTERTREATMENT PARTS AND DPF CLEANING SERVICES** TO YOUR BUSINESS WITH **CONFIDENCE & INCREASED PROFITABILITY.**
