

DRIVE CLEANER. DRIVE LONGER.®

HEAVY DUTY CAC HOSES & CLAMPS

Redline Emissions Products offers OEM CAC replacements for most makes and models.

Your CAC is critical to engine performance and fuel economy.

Replace hoses & clamps periodically to maintain peak performance.

4 Ply Silicone Bellows, Wire Reinforced:

- Cold Side (Blue) up to 350 F° / 50 + PSI
- Hot Side (Orange) up to 500 F° / 50 + PSI

Constant Torque Clamps are made of stainless steel and supply a secure fit.

Exact fit OEM replacement for fast and easy installation.

Check www.rep.direct for the latest product additions and for additional OEM cross-references.
