

DIESEL EMISSIONS SYSTEMS MADE EASY.®

RETROFIT GASKETS

The Redline Emissions Products line also has Retrofit Gaskets for the prominent retrofit system manufacturers including CDTI, ESW, Hug, Huss, and Johnson Matthey.

When a retrofit system is serviced (cleaning or replacing the filters), it is essential to install new gaskets and clamps to ensure the system's integrity.

REP Gaskets are manufactured to the exact dimensions and quality as the original retrofit gaskets providing optimum durability and performance.

Check www.rep.direct for the latest product additions and for additional OEM cross-references.
